

United Way of Hunt County is proud to partner with Dolly Parton's Imagination Library! UWHC continues to support educational efforts in all communities of the county.

Dolly Parton's Imagination Library program provides brand new, age-appropriate books to young children! At no cost to families, children in the program receive one book in the mail each month until they reach the age of five. With this gift, they are more likely to enjoy reading and be excited about books and learning. We need your support to be able to provide this opportunity to as many children in Hunt and Rains Counties. With this free service, thanks to the support of the Dollywood Foundation, the cost to us is only \$29 per child per year or \$145 from birth to 5 years old!
